AWARDS CEREMONY SATURDAY AT 4:00 PM

AMATEUR CONTEST RULES

- All work will be done using only the sand in your assigned, 10' x 10' plot.
- Nothing may be added to the sand except water.
- No power equipment, screw guns or machinery are allowed in your plot.
- No templates or molds are allowed when sculpting.
- Only registered team members are allowed inside of your plot.
- All tools and personal items must not block spectator aisles.
- Absolutely no glue is allowed.
- Ours is a family-oriented event; the organizers, sponsors and public feel strongly that sculptures should not include anything that would commonly be considered offensive.
- Anyone working before the start time or after the stop time will be disqualified.
- All forms must be removed and all compacted sand must be sculpted or otherwise altered by hand once the forms are removed. Contest organizers reserve the right to disqualify any sculptures that are obviously unfinished.
- Only water and the sand from within the assigned plots may be used to create the sculptures.
- No artificial color, paint, flour, sugar cement or adhesives of any type may be used.
- The decisions of the judges are final.
- The start time is 10:00am and the stop time is 3:00pm (5 hours total). Judging will begin promptly at 3:00.
- Contestants must provide all their own buckets and shovels, carving tools etc.
- Contestants will get water from containers near their plots

AWARDS CEREMONY SATURDAY AT 4:00
